On April 25th, the Florida Diversity Council hosted the 2014 Florida Talent Summit at Bi-Lo/Winn Dixie Headquarters in Jacksonville Florida.

“The goal of our talent summit was to bring professionals together in order to provide them insight on diversity best practices in relation to workforce recruitment and retention,” said Dennis Kennedy, Founder and CEO of the National Diversity Council.

Attendees had the pleasure of hearing from Ken Peterson, Bi-Lo Holdings, Vice President, Field & HR Diversity and Courtney Lesley, Aerotek, Director of Business Operations.

The Florida Diversity Council and the accompanying hosts and sponsors created the summit to assist in maximizing talents and skills of employees for companies whom are devoting themselves to diversity. Best practices are shared and knowledge based in diversity is expanded.

Each year the Florida Diversity Council facilitates a culture of diverse individuals who strive for success not only for themselves but for their companies as well.

The Florida Diversity Council invites existing participants and new individuals to attend future talent summits and other gatherings of diverse minds.
