A MULTICULTURAL RESOURCE PROMOTING EXCELLENCE

Strides are made at the 2015 Southwest Florida Women in Leadership Symposium

The Florida Diversity Council hosted their annual Women in Leadership Symposium on March 17, 2015 in Ft. Myers, Florida. This half-day event brought together five female leaders who spoke about their personal experiences in climbing the corporate ladder.

“The Southwest Florida Women in Leadership Symposium allows attendees to gather knowledge, experience, and wisdom from some of the best female business leaders in the Southwest Florida area,” said Dennis Kennedy, Founder and CEO of the National Diversity Council.

The Symposium opened with a continental breakfast and an introduction of the panelists. The day proceeded with workshops and lectures from the panelists. Some of the topics discussed included “Today’s Work/Life Balance”, “Your Personal Board of Directors: How to Maximize Mentors”, “Creating Change in an Organization.”

The Florida Diversity Council would like to thank the sponsors and panelists for helping make this year’s Women in Leadership Symposium a flattering success.
